Legal Alert: COBRA Subsidy Extended AGAIN!

Congress passed the Continuing Extension Act of 2010 (the “Act”) on April 15th, 2010. This act has extended the ARRA COBRA subsidy period to include individuals who are involuntarily terminated on or before *May 31st, 2010*. The Act made no substantive changes to the subsidy program. There is a good possibility that eligibility for the subsidy will be extended through the end of 2010. We will keep you posted.

To guide you in your efforts to comply with these new changes by keeping employees informed and up to date, the Department of Labor has provided Model Notices that can be found at <http://www.dol.gov/ebsa/cobramodelnotice.html>.
